INTRODUCTION

KUSHAN ELEVATORS established in 2014 and has vast experience in elevator, escalator and automatic doors, etc. Many Semi Government and private sector projects have been completed successfully. The Company is owned and managed by the professionals of this trade, who have over 15 years of experience.

The Engineers have practical experience in project planning designing, production, quality control and testing of elevators and escalators. Installations are applied according to international standards.

We provide world class energy-efficient elevators and escalators with cost-effective pricing. Our main brands are Orona (100% Europe) and FUJI- Sino Japan china technology.

Nothing is more important to us than providing the best services to our clients. We are fully aware of the fact that the clients require good after sale services and timely maintenance of the products.

We can satisfy diverse requirements of our customers and the scope covers passenger elevator, observation elevator, bed elevator, freight elevator, hydraulic elevator, car elevator, small machine room elevator, machine room-less elevator, home elevator, dumbwaiter, escalator and moving walks.

Director's Message

Welcome to **KUSHAN**, the fastest growing Elevator Company in Uganda. Established in 2014, in Kampala, Uganda and built on the strength of an experienced management and technical team prioritising quality of service for all clientele.

Being a completely specialised elevator and escalator service provider, we offer our customers all the customized interior & exterior services they require under one roof, from simple fabrication & cladding work to managing their complex modification needs.

I sincerely thank our customers and business partners for the continued confidence and support. And if you have any business inquiry or feedback, please feel free to contact us at any time.

We are happy to serve always the best.
Your preferred partner

George W. Kuch

MANAGING DIRECTOR

VISION

“Be the safest, most customer-focused and successful vertical transportation company in the World”
